Kleen Bin cleans the inside of your bin using a high-powered jet spray. Not only is the bin cleaned on the inside, it is also scrubbed on the outside.

Using specialized biodegradable chemicals, **we clean, disinfect, sanitize and deodorize your bin** leaving it germ free, spotless and fresh with a pleasant **"pine forest"** smell.

Benefits

- Deodorises / Pleasant smelling
- Uses recycled water**
- Saves time & Energy
- Environmentally safe
- Hygienic
