

## ELISENHEIM OWNERS ASSOCIATION

### EOA CIRCULAR 3: REFUSE, REFUSE BINS, GARDEN REFUSE AND REFUSE BAGS MUST BE STORED OUT OF SIGHT OF THE ROAD

To all Homeowners and Residents,

Please note that according to the Preliminary Rules of Elisenheim Owners Association refuse, refuse bins, garden refuse and refuse bags must be stored out of sight of the road.

*6.2.5 Refuse, refuse bins (except on official collection days), garden refuse and refuse bags shall not be placed on the pavement and must be stored out of sight of the road. Garden refuse must be removed on the same day. Where any item of refuse is of such a size or nature that it cannot be conveniently removed by the refuse removal services provided or arranged by the ASSOCIATION, the ASSOCIATION may give directions as to the manner in which such refuse must be disposed of.*

If you cannot remove your garden refuse yourself, the Estate Office can be contacted. We will assign a date which we will collect your garden refuse, and only on that day may your garden refuse be put on the pavement.

If there is no other way to store your refuse bags and refuse bins in front of your property, **then the bin and storage space must be boxed in.**

You may find the Preliminary Rules of Elisenheim Owners Association on our website [www.elisenheim.com](http://www.elisenheim.com) under Downloads

Thank you
